Trust in Media for Sources of Information

Imagine there was an emerging crisis in your country that you were very concerned about and wanted to learn more about (for example, a flood, pandemic, or food/water shortages). How likely would you be to trust the following sources to give you the most accurate, truthful information?

| National TV | | Age 18-24 | | Age25+ | |
|---------------|--|-----------|---|--------|---|
| :----- | | ----- | : | ----- | : |
| Very likely | | 0.36 | | 0.35 | |
| Likely | | 0.43 | | 0.45 | |
| Unlikely | | 0.14 | | 0.13 | |
| Very unlikely | | 0.07 | | 0.08 | |

| National TV | country | Age 18-24 | Age25+ |
|-------------|-----------|-----------|--------|
| Very likely | Argentina | 0.37 | 0.32 |

Trust in Individuals

Again, thinking about an emerging crisis in your country that you were very concerned about and wanted to learn more about (for example, a flood, pandemic, or food/water shortages). Who would you likely turn to for information?

Section B: Trust

B2

Imagine there was a major crisis (for example, a flood, pandemic, or food/water shortages). To what extent would you trust the following people or groups of people to act in your best interest?

| My neighbours | Age 18-24 | Age 25+ |
|---------------|-----------|---------|
| A lot | 0.23 | 0.19 |
| Somewhat | 0.35 | 0.42 |
| Not much | 0.28 | 0.27 |
| Not at all | 0.14 | 0.12 |
